## **PROCEDURES FOR LICENSING HOSPICE PROGRAMS OR FACILITIES**

These procedures will outline the steps you must follow to secure a license to operate a hospice program or facility in South Carolina.

We expect that when you read the procedures described in the Sequence of Events for Licensure and the requirements of Regulation 61-78, *Standards for Licensing Hospices*, the licensing of your program will be made easier.

For assistance with this process, a representative of the Facilities & Services Office can be contacted at (803) 545-4234.
